---

SPN Community,

For over 60 years, the St. Philip Neri Parish and St. Philip Neri School have sought to bring the light of Christ to Metairie through faith formation, spiritual development, and academic excellence. We have been blessed over the years to partner with many wonderful parishioners, families, and students as we have worked to serve the broader mission of the Catholic Church. Our patron, St. Philip Neri, was known to be a friend to all. He engaged those he met in a welcoming, respectful way. We look to him as a role model and pray that we demonstrate our faith in action to others in the ways that he did. At our church and school, we strive for holiness, using the example of St. Philip Neri's life as our compass.

One of the biggest fundraisers each year for our parish and our school is the annual Fair. Our Fair has traditionally been held in May, but is moving to the Fall in 2022; the Fair will be held on October 14 and 15, 2022. The proceeds from the Fair assist our parish and our school in our operations, ensuring that we can meet the needs of our parishioners, families, and students.

We are writing to ask for your support of our upcoming Fair. Attached to this letter is a listing of sponsorship packages for the event and opportunities to donate to the Fair. We are seeking volunteers to work the Fair and will be asking school families in August to sign up and work shifts. We want your input on naming the fair, as well; there is a survey open to take your suggestions (the link is in the Viking Voice, on Facebook, and available under "News" on the school website).

We look forward to working with many of you as sponsorship partners and will be following up with you soon. In the meantime, please feel free to contact us with any questions at [STPHILIPNERIFAIR@GMAIL.COM](mailto:STPHILIPNERIFAIR@GMAIL.COM).

With gratitude,

Richard Hill  
Principal

Stephen and Lauren Crain
